

Reserve power

RESERVE POWER

Our product selection also includes standardised outdoor metering centres with a reserve power connection and socket outlets for use on farms. Our product enables a more secure and easier solution for network change-over. Our selection covers centres with a rated flow of 50A and 80A, all with a cabinet category of IP34. Ask our sales staff about reserve power centres over 80A that we can provide for special centre structures.

The centres include a network-0-generator selector switch, the required number of miniature circuit breakers and residual current devices and plenty of reserve space. Mounted in the centre are an Plugreceptacle for the supply of reserve power and a 5 x 16A power contact socket and 16A Schuko socket outlets, both of which are protected with a 30mA residual current device. An LED indicator light module indicates the voltage in the network. We have aimed to facilitate installation and use for multiple purposes with wire feed-throughs and a rain shelter that are part of the delivery.

RESERVE POWER

SSTL number	Name	Product description	In	Installation
3312374	Varavoimakeskus FE MKV700-50A3J1V	In50, KJV32A, 1x4P VVSK, PSR, 2T, 500x795x210	50	Surface
3312375	Varavoimakeskus FE MKV1120-50A12J1V	In50, KJV32A, 1x4P VVSK, PSR, 2T, 500x1215x210	50	Surface
3312376	Varavoimakeskus FE MKV1120-80A18J1V	In80, KJV63A, 1x4P VVSK, PSR, 2T, 500x1215x210	80	Surface

Product info

The centre includes a network-0-generator selector switch, the required number of miniature circuit breakers and residual current devices. Plug is mounted in the centre for the supply of reserve power and a 5 x 16A power contact socket and 16A Schuko socket outlets, both of which are protected with a 30mA residual current device. An LED indicator light module indicates the voltage in the network. Wire feed-throughs and a rain shelter are part of the delivery.

Technical details

Electrical number	3312374	Material	Ku-Si
	4 x 50mm ² Al/Cu	Main switch (A)	63
Ue (V)	230/400	Breaker 1-pole C10	1
In (A)	50	Breaker 3-pole C16	1
IP	34		1
fn		Installation	Surface
Icw	<10 kA
